SIR,

With reference to the correspondence ending with your No. L.C. of 18th June 1888 regarding the pension case of Mahomed Hussain Sahib, I have the honor to forward herewith a copy of the Proceedings No. 4825-7/518 of 14th September 1889 since passed by the Mysore Government and the pension application, from which it will be observed that the applicant had served for from 1st 9-7-14 in the Revenue Madras Department under the British Government and for from 1st 6-6-29 under the Mysore Government and that he had been transferred from the former service to that of Mysore with the sanction of the Commissary General. His service in the British Government has been verified by the Controller of Military Accounts Madras and admitted by him to count towards pension (vide Copy of his Letter No. 2839 of 1st September enclosed). But he has not paid the contribution subsequent to the Rendition. I request to be informed whether you will agree to accept a proportionate share of this pension for the period he served in

With reference to your

ready to admit a proportionate
share of the pension of Mahomed
Kalleemulla Khan as a charge

under the rules, as they stand
Kalleemulla is not entitled

of his pension cannot, therefore

be borne by the British Government.

With reference to the observation contained in para 2 of your letter, I beg to say that the sanction accorded in the letter from the Government of India quoted therein applied only to the individual case of Gulam Mahomed. If the Mysore Government desire a general ruling, it will be necessary for the Resident to move the Government of India in the matter.

SIR,

With reference to para 5 of Government Proceedings No. 4825-7/518 of 14th September 1889, I have the honor to state that as therein desired the Accountant General Madras, was addressed enquiring whether he will agree to accept on behalf of the British Government the proportionate share of the pension of Kalli Mulla Khan, for the service of 9-7-11 rendered by him in the Amrut Mahal Department of that Government. The Accountant General Madras is however of opinion that Kalli Mulla Khan is not entitled to claim any portion of his pension from the British Government, for the service rendered to it prior to his transfer to Mysore, and refused to accept a share of his pension against the British Government. Copy of

the

the Assistant Resident's letter No. 1324/5156 of 12th May, 1886, to the address of the Dewan in the matter of Mr. Marchant, was then sent to him and he was asked to reconsider his decision. But he has declined to alter his decision in the absence of any general ruling of the Government of India admitting the claim of Officers who resigned the British Service in order to take up appointments in Mysore.

As there are some instances like that of Hafiz Mulla Khan for disposal, I would suggest that the Resident may be requested to move the Government of India for a general ruling in the case of officers who resigned the British Service for service under Mysore and Vice Versa. Copies of my correspondence with the Accountant General are submitted herewith for reference.

in this case and similar individual cases. But, to the Durbar, this seems unnecessary as explained below.

2. I am to solicit a reference to your Office Letter No. 1324 5155 dated 12th May 1886, in which the decision of the Government of India in the analogous case of Mr. Merchant who retired from the Hyderabad service, was communicated to the Durbar. The general principle governing the cases in question is there stated as follows at para 4:-

"The Government of India states that that decision

decision" (viz that the
Mysore and the British
Governments shall bear
Rangacharrier's pension
proportionately to the pe-
-riods of his service under
the two Governments)" was
"passed in view of the
"consideration that when
"Mysore was under British
"administration, it was
"natural that Officers
"in Government service
"proper should have felt
"no hesitation in resigning
"their appointments to join
"Mysore Service and vice
"versa under circumstances
"in which similar resig-
-nation of one Government
"appointment to join another
"would not have affected

"their pensionary claims.
" If under such circum-
" stances the previous
" service, whether in Mysore
" or under the British
" Government, should be
" rejected, the result
" would, the Government
" of India considers, be
" unmerited hardship
" to the Officers Concerned"

3. This principle was followed in the case of Gulam Mahomed, late Head Clerk of the Plantation Office, who had likewise put in service under both the British and Mysore Governments and whose

whose pension therefore, the Government of India allowed to be borne by both Govts according to the rule of proportion (vide your letter No. 3326/4538 dated 27th September 1889).

4. In the case under reference, Kallimulla Khan began his service in the Amrutha Mahal Department under the British Government, and there served continuously for a period of 9 yrs: 7 ms: 14 Days. His services were then transferred to Mysore with the sanction of the Commissary General, while Mysore was under British Administration, and in this respect his

case

Case seems stronger even than Mr. Marchmont's who resigned Mysore Service for the purpose of joining the British Service. But the Accountant General, Madras, evidently objects to accept a debit to the British account of the proportionate share of Kallimullah Khan's pension on the ground that the decision of the Government of India in the case of Mr. Marchmont applied only to that individual case and that for a general ruling the Government of India should be moved again in the matter.

5. The Accountant Genl. at Madras in his letter to the Comptroller No. T.A.6/368 dated 24th January 1890 further adduces the case of Tirumal Rov as analogous to that of Kallimulla Khan now in question, and argues that as no contributions were paid by these officials to the British Government, no part of their pension may be borne by the British Government - As to this, I am to observe that contributions are payable by officers whose services were lent or transferred to Foreign service only in those cases in which it is desired that the British Government should accept the charge for

for the entire pension of such Officials in the same manner and to the same extent as if they were in the regular service of the British Government - In the case of Kalimulla Khan however what is claimed is only that the pension earned shall be debited to the two accounts by the rule of proportions, i.e, in the proportions in which the aggregate pay drawn by Kalimulla Khan during the whole of his qualifying service has been paid from them - Tirumal Row's case is indeed analogous, but the

the result of the reference submitted in this letter will govern Tirumal Rao's case as well as other cases which are pending settlement

6. Under such circumstances, I am to request that the Resident may be kind enough to instruct the Accountant General at Madras to accept the citation in para 2 of this letter as a sufficient guide for disposal of all similar cases, or if the matter admits of any doubt, to be pleased to move the Government of India to favor a general order applicable to all cases of the kind and thus save the necessity for

for a reference in every
individual case.

The Accountt Genl at Madras wants the Special sanction of the Govt of India in this & similar individual cases. But this, & the Indian, does seems unnecessary as explained below.

To S.A.

The Accountt General
to the Resident
in Mysore

Sir,

I am directed, on the Resident's recommendation, to forward copies of papers as per list enclosed at foot of this letter on the subject of debiting proportion of the Pension granted by Mysore Government to Kalli Mulla Khan, late Police Inspector of Chamrajnagar Taluq, Mysore District, who has served under both Govts.

1. Corr: of the Govt of Mysore No 4825-7 of 14 September 1889.
2. Letter No 2670 of 11 Nov/89 from the Comptroller of Mysore to the Accountt General Madras.
3. Letter No Sect E 297 of 2nd Decr/89 from the Accountt General Madras to the Comptroller of Mysore
4. Letter No 3178 of 11 Decr/89 from the Comptroller of Mysore to the Accountant General Madras.
5. Letter No Sect. E. 368 of 24 January 1890 from the Accountt General Madras to the Comptroller of Mysore
6. Letter No 4260 of 4 March 1890, from the Comptroller of Mysore to the Chief Secretary to the Govt of Mysore.

2. In connection with this question, I am directed to request the special attention

of the Resident to
your Office letter
No. 1324 dt/12th May
5155
1876, in which the
decision of the Govt
of India in the case
of Mr. Merchant of this Service from
the Hyderabad Service
was communicated to
this Office with the
in order that the Services
of Officers who resigned
their appointments in
Europe and joined British
Service and vice versa
when Europe was under
British administration
might be debited to
the Imperial & British
Governments as the
case may be, according
to the rule of proportion

reference, Rao Bahadur

The general principles governing
the cases in question have been stated in

rendered in India
shall be counted

Imperial department under the British Government. There served continuously for a period of 9—7—14, after which his services were transferred to Singapore with the sanction of the Commissary General before the Reduction. while Singapore was under British Administration. It will thus be seen that Kalli Mullah did not resign his British service of his own accord to accept an appointment under the Singapore Govt. as was done by Mr. Merchant who resigned his British service for the purpose of joining the Singapore service, but the Singapore service under the aforesaid circumstances. As the decision of the Govt. of India referred to above holds good in either case, the Comptroller of the Govt. of Singapore was directed to make

He did not resign that service when accepted for the purpose of accepting an appointment under the Singapore Govt. by suspension his services with the Imperial Govt.

arrangement for arbitrary
Rukh Imdia Khan's
pension proportionately
to the British & Impl
Govts. But it will
be observed from the
letters noted in para 1 above,
that the Accountant General Madras
has apparently
objected to accept a
liability of the
British Govt to pay
the share of Rukh
Imdia Khan's pension
on the ground that the
decision of the Govt of
India in the case of
Inv Merchant applied
only to individual cases
and that if the Imp Govt
desire a general
ruling, it will be necessary
for the Resident to
move the Govt of India in the matter.

this is not the first

case in which the Accountant General Madras has refused to accept the liability of the British Govt to pay their share of pension. He has adopted the same course in the case of Pirmal Ram late Amildar of the Hoskote Taluk in the Bangalore district, who had similarly put in nearly 6 years service under the British Govt before his transfer to the Mysore service before Rendition - These two cases are analogous to each other and are similar to that of Ghulam Mahomed late Head Clerk of the Plantation Office, who had likewise put in service under the British and Mysore Govts and

on which case the Govt of India have consented to grant a Lease according to the rule of proportion as communicated in your letter No 3326 of 27th September 1889 / 4538 / 28 may be stated here that the decision of the Govt of India communicated in your letter of the 12th inst referred to above, was not arrived at for the sake of the individual case therein alluded to viz: that of the Merchant or Contractor of Ghulam Ismail as expressed by the Accountant General Madras, but was intended to be followed in all similar cases as contained in para 4 of your letter which

5. Under these circumstances I am directed to request the favor of the President advising the Accountant General Madras to accept liabilities on behalf of the British Govt in the case of Officers who either resigned the British Service for employment in Mysore or were transferred from the former to the latter Govt and vice versa before Rendition, under the terms contained in your letter of the 12th January 1806, or resubmitting the question to the Govt of India for orders should he still feel doubts on the point

Sir,

With reference to correspondence ending with your (No 132) dated 5 July last on the subject of proportion of Ex Police Inspector Kalli-mulla Khan's pension being borne by the British Govt, ~~and recorded~~ I forward for your perusal & return with remarks, a representation made by Kali mulla Khan, received with Inspector General of Police No 1500/195 dated 1st ultimo in reply to an enquiry why he did not pay contribution to the British Government for pension for service rendered to that Govt

Government -

2. The objection taken by the Accountant General at Madras, in his correspondence with you, is based mainly on the ground that no contribution has been paid by Kalimulla Khan, which makes his case analogous to Jemmal Row's, in which the same objection was taken by the Resident and has been acquiesced in by the Durbar. I am to inquire how you propose to meet this objection.

3. Questions of contribution and Rule of proportions apart, the case seems to be one which requires some consideration on other grounds having a relation with the

Sir,

With reference to your letter No. 9704/560 of the 22nd November 1890 received on the 2nd instant, I have the honor to reply as follows.

1. Kalli Mulla Khan's statement that he was not called upon to pay contribution for counting his British Service cannot be accepted as correct, as the Dewan's notification No. 98 of 31st August 1882 was published in the Mysore Gazette and he could have applied to this office offering to pay contribution.

2. As regards para 2 of your letter under reply, I would invite your attention to para 4 of the Assistant Resident's letter No. 1324/5156 of 12th May 1886 to the address of the Dewan and to state that Kalli Mulla Khan's case is analogous to that of the Merchants referred to, and the Resident

I am to be requested to move the Government of India for a general ruling in the case of Officers who either resigned or were transferred from British Service to Upper Service while under British administration and vice versa.

3. Talli Mulla Khan's application is herewith returned with enclosures, with his services duly verified, accompanied with a statement showing the proportionate share payable by the British and Burma Governments for services rendered there under of the pension of Rupees 13-a-3/- calculated under the old rules, which had retired prior to 1st January 1888 and the introduction of the new scale of pensions.

4. If under para 50 of Rules Notification No 18 / 31st. August 1882, half of Talli Mulla Khan's British Service, viz 4 to 3 be allowed for such Service rendered in Burma, he will be entitled under the Rules for gratuity to Rupees 500/- for his combined Service of 7 years 1 month and 5 days.

Sir,

Adverting to your docket No 6113 P.H. 5 & 8 of 5th November 1899 I have the honour to enclose two memos shewing the calculation of the proportionate shares of pension of Timmal Rao and Kalli Mullakhan, debitable to the British and the Mysore governments.

I may observe that when this office reported on the Pension Application of Timmal Rao his period of qualifying service was certified to be only 25 years 7 months 13 days as only half the period of service rendered under the British Government was taken into account under Dewan's Notification No 98 of 31st August 1882. As however the Accountant General is now of opinion (as intimated in his letter No Gen. I 211-4058. 715 7. 99 to

to the Resident in Mysore) that the
pension should be borne by the
Mysore State and the British Govern
ment according to the rule of pro-
portions the whole period of service
of Tirumal Rao, viz 5 years 10 months &
20 days has been taken to count
towards pension so that his total
period of qualifying service
will be 28 years 6 months & 28 days.
But this additional service does not
in any way benefit the applicant
as without it he had qualifying
service for half pension.

3 As regards Kalli'mullakhan
who was drawing an anticipatory pen
-sion of Rs 13-0-3 and died on the
12th March 1897 no report was made
on his pension application up to date,
though he was retired from service
so far back as 5th April 1887, as the
question of the proportionate shares
of his pension debitable to the two
Governments had not been settled
As this question has however now
been settled the necessary report has
been made on the application
which is also enclosed.

4 The Pension application
of

of Vinnal Haa is also forwarded herewith for reference.
